C.D.S. Welcomes New and **Old Students**

Howdy week is a tradition practiced every year that introduces old faces to new ones and makes it a little easier to come back to school. This year there were creative non-uniform days such as Clash Day, during which terrible clothes combinations were worn, Nerd day brought high water pants back in style, and 60's Day was a little nostalgic. A new activity was the Junior/Sophomore powder puff football game along with the usual skating party, swimming parties and the Howdy Dance.

Our cheerleaders show us what spirit is all about.

Homecoming 1984 was very successful with an incredible increase in school spirit. Along with our football team's decisive victory over Dallas Christian, there were many other spirited activities. The girls decorated the football players' rooms after school. The motto "No sweat to beat the Chargers," enabled students to wear sweats. Friday was the usual red and blue spirit day along with the pep rally and senior girls' skit. The Penguins played at the dance Saturday night at the Century II Club.

A new and exciting cheerleading program was established this year. Advisor Sue Crummel and head cheerleader, Beth Holland, helped establish the program. For the first time, cheerleading fulfilled the varsity sports requirement. Each day the cheerleaders worked hard during the sports period to improve their skills. The new program allowed the cheerleaders more time to devote to making C.D.S. spirit the best that it has ever been.

Falcons Fight Back

After a disappointing loss of three early games, the Country Day Varsity Football Team fought back and finished with a winning season. Under the leadership of starting quarterback Chris Clark and senior captains Jay Propes, Richard Payne, and Harry Johnson, the team completed the season with a successful record of seven wins and three losses. In addition, the Falcons were fortunate to have the leadership of an outstanding coaching staff: Sal Anicito, Will Stansbery, Joe Breedlove, and Greg Ploetz.

Two of the players made All-Conference: Jay Propes as full-back and Brett Hyde as defensive back. Bill Barnard, Phil Feanny, Rich Jeffers, Ty Taylor, Richard Payne, John Martin, and Chris Clark received Honorable Mentions. With twenty-two lettermen returning next year, Country Day hopes to have another strong year.

The Junior Varsity team, coached by Joe Murph and David Miller, had a frustrating and disappointing season of three wins and four losses. However, the team was manned by a large number of freshmen who had to compete with older teams.

Volleyball Program Split

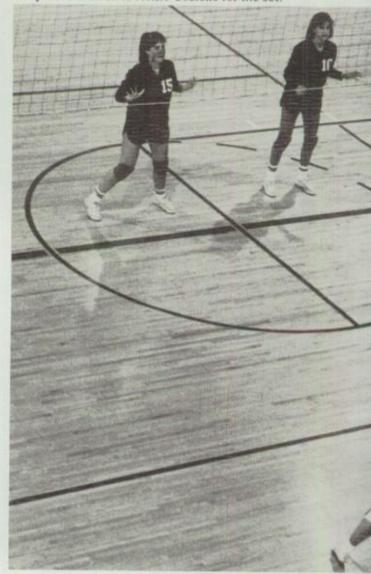

The volleyball program consisted of a multitude of surprises. Due to scheduling conflicts there were two separate teams, an S.P.C. team and a T.A.P.S team, each with its own varsity, junior varsity, and freshman squads. Unfortunately, the T.A.P.S. varsity could not compete for the state title because Country Day had been previously suspended from that tournament due to scheduling problems in 1983. The S.P.C. Varsity team was young and inexperienced, with over one half of its members having no previous varsity experience. However, their final record was an impressive 16-5 and they topped off the season by winning the S.P.C. title, which was shared with Trinity Valley and Hockaday. The team captains were Seniors Laura Laesecke and Kelley Roodhouse, and Sophomore Leah Fulkerson. Laura Laesecke won First Team All Conference and Leah Fulkerson and Allison Walsh won Second Team All Conference. Overall it was a very enjoyable year.

The Varsity field hockey team, led by Coach Enid Russell and captains Tracy Doeren and Jill Gordon, had a winning season despite the large number of injuries ranging from sprained ankles to black eyes. Although it was Mrs. Russell's first year at CDS, the team came out on top with an outstanding record of 11 wins and 4 losses. The young team gained valuable experience by participating in several tournaments, including those with college teams and women's clubs.

The Junior Varsity team also had a victorious season with a 7-3 record. The team showed consistent improvement throughout the season guided by Coach Patty Penfield and captains Katherine McDermott and Courtney Rainwater. The team was a runner-up in the St. Johns Tournament at the beginning of the season and won the St. Stephens Tournament at the end of the season.

U.S. Cross Country Sets the Pace!

The Cross Country team, under the leadership of two new coaches, Dr. Suzanne Lewis and Mr. John Killion, was a definite success. The emphasis was placed not only on improving times, but also on improving the team's spirit.

The senior captains: Lisa Grant, Matthew Head, David Fischer, Todd Mack, and Brian Burgess, led the team through rain and mud. Many practices in the rain prepared the team for success in "mud" meets. Through it all the members of the Cross Country team laughed, complained, ran hard, and had a great time.

Boys Soccer Has A Trying Season

The Varsity Boys Soccer Team, coached by David Rubinson, plowed through the neverending preseason games only to find that the regular season was just as difficult. The team, led by captains Matthew Head, senior, and John Martin, junior, finished the season with a 4-16-1 record. Despite their unsuccessful season, the team had a lot of fun. Although the team did not win at the SPC Tournament, Matthew Head and John Martin were awarded the title of All Conference players.

The Junior Varsity Team, following in the footsteps of the idolized Varsity, only won two out of their fifteen games. Perhaps this is because of the poor turnout when they had to recruit players from weightlifting. Even so, the team, coached by Butch Lauffer, had a good time.

Girls Soccer Division Two Champs

The Varsity Girls Soccer Team began the season with high hopes and enthusiasm. Led by captains Beth Holland, senior, and Cynthia Rimmer, sophomore, the team had a winning season with an 8-6 record. They came out ahead in the SPC Tournament by winning the 2nd Division. The two captains were recognized as All Conference players in SPC. Coach Enid Russell was proud of the team for having the best record of winter sports in the school.

Varsity Boys Basketball Gains Experience

This year, the Boy's Varsity Basketball Team ended its season with eight victories and eleven losses. The starters were Ric Bonnell, and John Holt Smith at post positions, Patrick Woodson and Pete Chambers at guard, and Robbie Fulkerson at stack. They were supported by regular backups Chris Clark and Rush Olsen. All through the season, the Falcons lacked consistent outside scoring. They relied heavily on inside scoring and depended on key player Ric Bonnell. When other teams stopped Bonnell, the flow of the offensive movement was stopped. At the North Zone Tournament, the Falcons finished with one win and two losses. In the SPC Tournament, the Falcons played three games and lost them all. The Falcons were coached by Mr. Bob Gleeson and Mr. Joe Breedlove, who have hope for next year's team.

Youth Bounces Into Basketball

The girl's basketball team was led by senior post Laura Laesecke. Her 15 points per game was over half of the team average. The five seniors, two sophomores and four freshmen finished the season 7-11. The J.V., which consisted of eight freshmen and one sophomore, had a strong season. They finished at 9-3. Many of the players were promoted to the varsity level. The youth in the program should lead to an advantage for FWCD in the future.

Wrestling's Year is Better than Expected

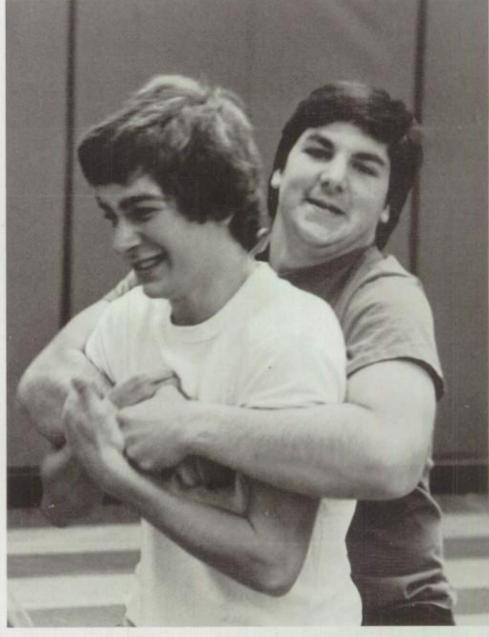

This year's team was relatively successful, considering that only three of the sixteen members were Seniors. The young team averaged about two years' experience per wrestler. Joe Murph and Chris Hauck were the coaches. The wrestlers participated in the Garland, Trinity, Austin, Ft. Worth, and Carrollton Invitationals. Two of the team members, Bill Barnard and Devon George, wrestled in the state tournament in Amarillo. The standouts on the wrestling team were Devon George, wrestled in the state tournament in Amarillo. The standouts on the wrestling team were Devon George, Bill Barnard, and Jim Buffington. Flight '85 Continues Tradition of Excellence

As always, the yearbook staff got off to an early start this year by attending a workshop at the University of Texas at Arlington in August. Jill Greenman, Editor-in-Chief, and Terry O'Brien organized the yearbook and assigned pages. The photography staff, led by Alan Bradshaw, worked hard taking and developing pictures. On the advertisement staff, Amy Roach, the business editor, handled the money while Christian Gunter drew the layouts and organized the members of the staff, composed mainly of Junior girls. Mrs. Laura Ferguson supervised the advertising section. Due to the large number of people involved with the yearbook this year, the staff met their deadlines easily.

The Scorpion continued to be a showplace for Lower, Middle, and Upper School literary and artistic excellence. The staff was led by editor Phoebe Yee, a junior. They acquired a new faculty advisor this year, John Killion. The students did the layouts themselves, and gave up their free time to collect work for the literary magazine.

An Artistic Approach

The beginning of the fall trimester brought some new faculty to the Art Department. Greg Ploetz began his appointment as Director of Art and Kathy Robinson headed the popular ceramic offerings. Evelyn Siegel, who brought the Art program to Country Day from in its infancy, has retired.

The Upper School curriculum includes Art History, advanced studio offerings in ceramics and painting, and independent studies in enameling, airbrush, fashion design, and basket making. General Art continues to provide a foundation curriculum while working in a variety of media.

Although there were new faces in the Art Room, the ambiance of an oasis from the rigors of academic studies continued for those students with a love for the creative processes.

MS Football Enjoys Victory

All three middle school football teams had winning records. The sixth grade team, coached by Jim Aldridge and Sal Anicito recorded two wins and no losses with both games against All Saints. The offensive team ran the varsity offense and executed it well, with good power and speed. Six of the sixth graders were promoted to the 'B' team who, under the coaching of Joe Murph and Chris Hauck, recorded six wins and one loss. Under the leadership of Captains Chris Collins and Chris Cotham, Coach Murph believes the team has a bright future as a football team. The eighth grade team was coached by Steve Chevereaux and Joe Breedlove and were undefeated through nine games. The toughest games were the St. Mark's game which was won 12-0, and the All Saints game which was won 6-0. Some of the schools that played these middle school teams lost their only game to Country Day.

Success for Middle School Field Hockey and Volleyball

Middle School Field Hockey, coached by Jackie Ziegler, had a short season with only three games. This was due to the fact that Hockaday eliminated C.D.S. hockey from their program. The season ended with two wins and one loss.

Volleyball was divided into three teams: the 8th grade, 7th grade, and 6th grade. The 8th grade team, coached by Mrs. Rea, had another successful season of 13 wins and 3 losses, which was due to the excellent contribution of all the players.

Coach Simmons' 7th grade team had a season record of 6 and 2. The girls worked hard to improve their skills and will certainly be the assets to this program next year.

The 6th graders had a wealth of talent and Coach Trader is very optimistic about their future in volleyball.

Middle School Cross Country

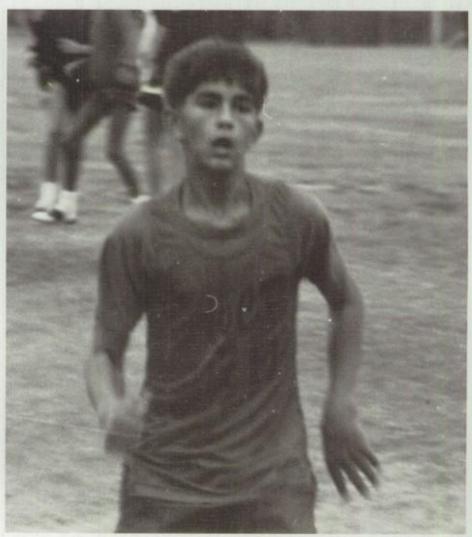

The Middle School Cross Country team gained a new coach, Festus Ogunfeyimi from Nigeria. Festus ran the mile relay in the 1976 and 1980 Olympics. He coached both boys and girls and believes that the girls should have won every meet they were involved in. The boys lost only one meet. He said that Scott Herron made the biggest improvement during the season but all the runners were interesting and they worked very hard.

Experience
The Middle School Wrestling team was moderately successful with a larger team of twenty-two wrestlers. The team was very young and inexperienced, but there was good overall talent. The team wrestled in the Garland, Trinity, and Ft. Worth Invitationals. The standouts were Baron Lobstein, Gib Portwood, Dusty Lanier, and Kurt Greve. Coach Murph and Coach Hauck feel that the experience gained will help next year.

M.S. Soccer Shows Promise

Both boys teams, coached by David Costello, Festus Ogonfeyimi, and Butch Lauffer, played very well this year. The "A" team won four out of nine games and the "B" team won five, lost two, and tied another. Four games were cancelled due to bad weather.

The Girls' teams were coached by Jackie Rea and Jackie Ziegler. The "A" team, under the leadership of captains Leslie Cash and Nancy O'Brien, played seven games, tying one and winning five. The "B" team was a very young team whose captains were Carolyn Brown, Becky Conlee, and Amy Finley. Because of bad weather, the "B" team only played two games this year. Although both games were lost, the team shows a lot of promise for next year.

Advanced Art and Music Program

Print making, clay figuring, leaf and insect prints, word printing made into books are only a few projects middle school art students did. Mr. Greg Ploetz graded by the quality of the artwork and the progress, effort, and performance of the students.

The orchestra program has improved as a result of a larger population and trips. Among the new teachers, Mr. Tom Pieper heads the brass department. The orchestra played at the Hyatt and Fort Worth Academy. Grades are determined by progress, effort and consistency.

M.S. Theater — Original and Entertaining

The Theatre program is divided into three classes. One was made up of only sixth graders who were just getting a start in the acting world. Their big play was called Isolanthe, taught by Mrs. Mattiza and Mrs. Sanford. The Play Performance class concentrated on one act plays and improvisations. It was composed of both seventh and eighth graders, met twice a week, and was taught by Mrs. Goone, Mr. O'Brien and Mr. Viola. The largest class consisted of both seventh and eighth graders and was taught by Mr. Viola and Mr. Potts. This class puts on the Spring Musical every year. This year the musical was Little Red, written by Mr. Kilborne and Mr. Viola.

M.S. Talon Claws Into the News

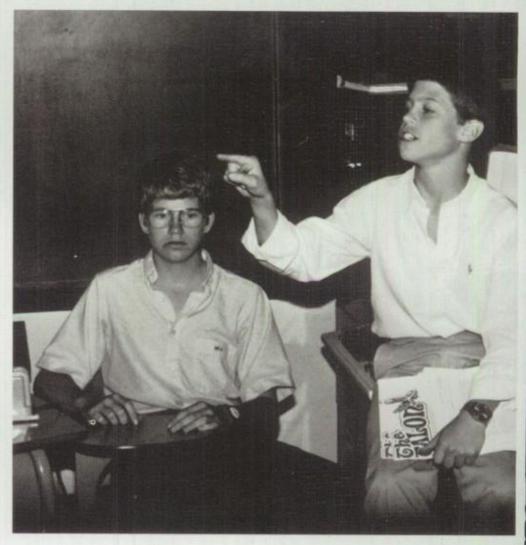

The Middle School newspaper, the Talon, is once again headed by Mr. Dallas Dickinson. The students are responsible for all phases of the paper. Some are trained to work the printing machines and others are honored with the duty of being editor for six weeks. Of course, all the students are reporters.

The paper is divided into four sections: Features, Sports, Entertainment, and Amusements. There are separate editors for each section who work under the overall editor. The staff consisted of a talented and conscientious group of writers this year.

Stephen Dickey takes charge while Goeff Dickenson looks on.

Students Are Honored

The student council was headed this year by President Baron Lobstein and sponsor Mrs. Emily Younger. Its main purpose was to raise money for dances. They did this by having bake sales and non-uniform days.

The Honor Society, created by Helen Matiza, is a society for those students who have maintained an average of 88 or above throughout Middle School. There is also a math honors society for students of Mr. Burke's eighth grade honors math class named of Chi Alpha Mu.

Students Display Creativity

Lower School Art offers a variety of media and modes of expression. The First Grade explored shapes, colors, and lines. Along with that, they painted their self portraits. The Second Grade studied composition and design and paintings in warm and cool colors brightened their palettes. The Third Grade worked on an interdisciplinary project and constructed clay dinosaurs in conjunction with their study of the beasts in science. Fourth and Fifth grades did in-depth studies of drawing techniques and color families through collages and painting projects. In a continuation of a program initiated several years ago, the Fifth Grade created various art projects in relation to their social studies.

The Lower School newspaper, FEATS & FEATURES, is published every two months by the Fourth Grade under the supervision of Mrs. Bonnie Carmichael. The paper covers all aspects of the Lower School and also includes artwork from the students.
